Certificate Of Origin

Product Name: Transferrin, Human Plasma

Catalog Number: 16-16-032001

Lot Number: Information applies to all lots produced.

Manufacturing Information: The methods and controls used in this facility for

manufacturing, processing, packaging and holding of our products are in accordance with ISO9001:2008

Quality Management System.

Manufacturing Site: Athens Research & Technology Inc., Athens, Georgia, USA

Raw Material Information: The product contains no materials directly of animal origin

and has not been in contact with products of animal origin

in the course of its purification.

Country of Origin (manufacturing): United States

Biological Source Material (COO): United States

Donor Consent: The raw material used in the purification of this product has been obtained from an

FDA licensed collection center. Further the donor or the donor's next of kin has given by signature full informed consent for the material to be used in commercial scientific research, including the sharing, transferring, or selling of samples to third parties involved in this research.
